Clifton School Song

Clifton High School, we love you, And your glory we shall sing.
Memories of you we will cherish, And praises to you we will bring.
Forever your banners we'll wave,
With pride we'll hold them high.
We'll stand by your side, Clifton High School, we'll laud your name
to the sky -.
And in the books of fame, in gold we'll write your name.
We love you, C.H.S.

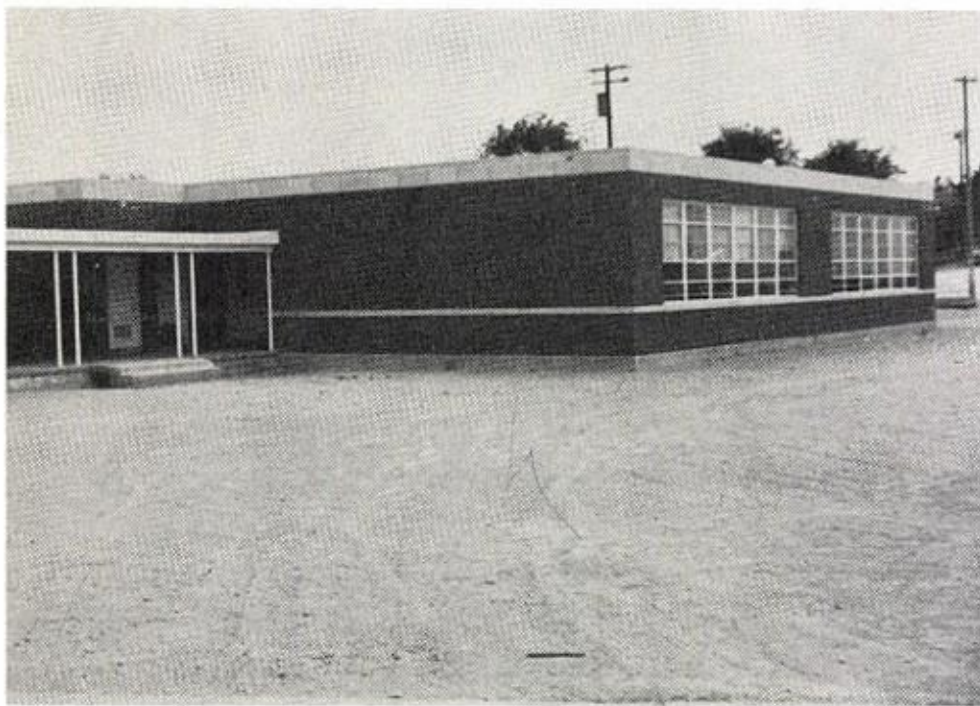

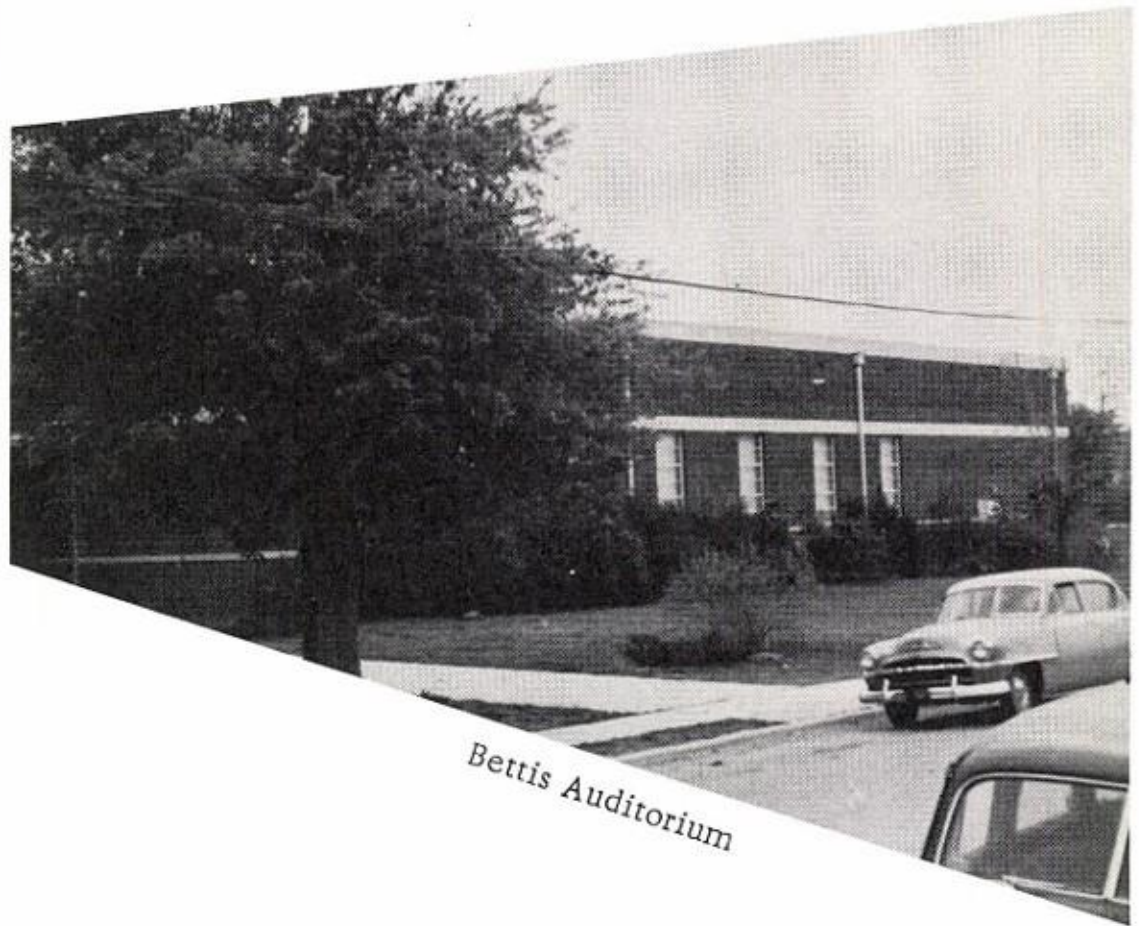

In Memoriam

In memory of Mr. Maylon Tankersley, whose good humor and humble demeanor should be our aspiration, but which could never be our achievement.

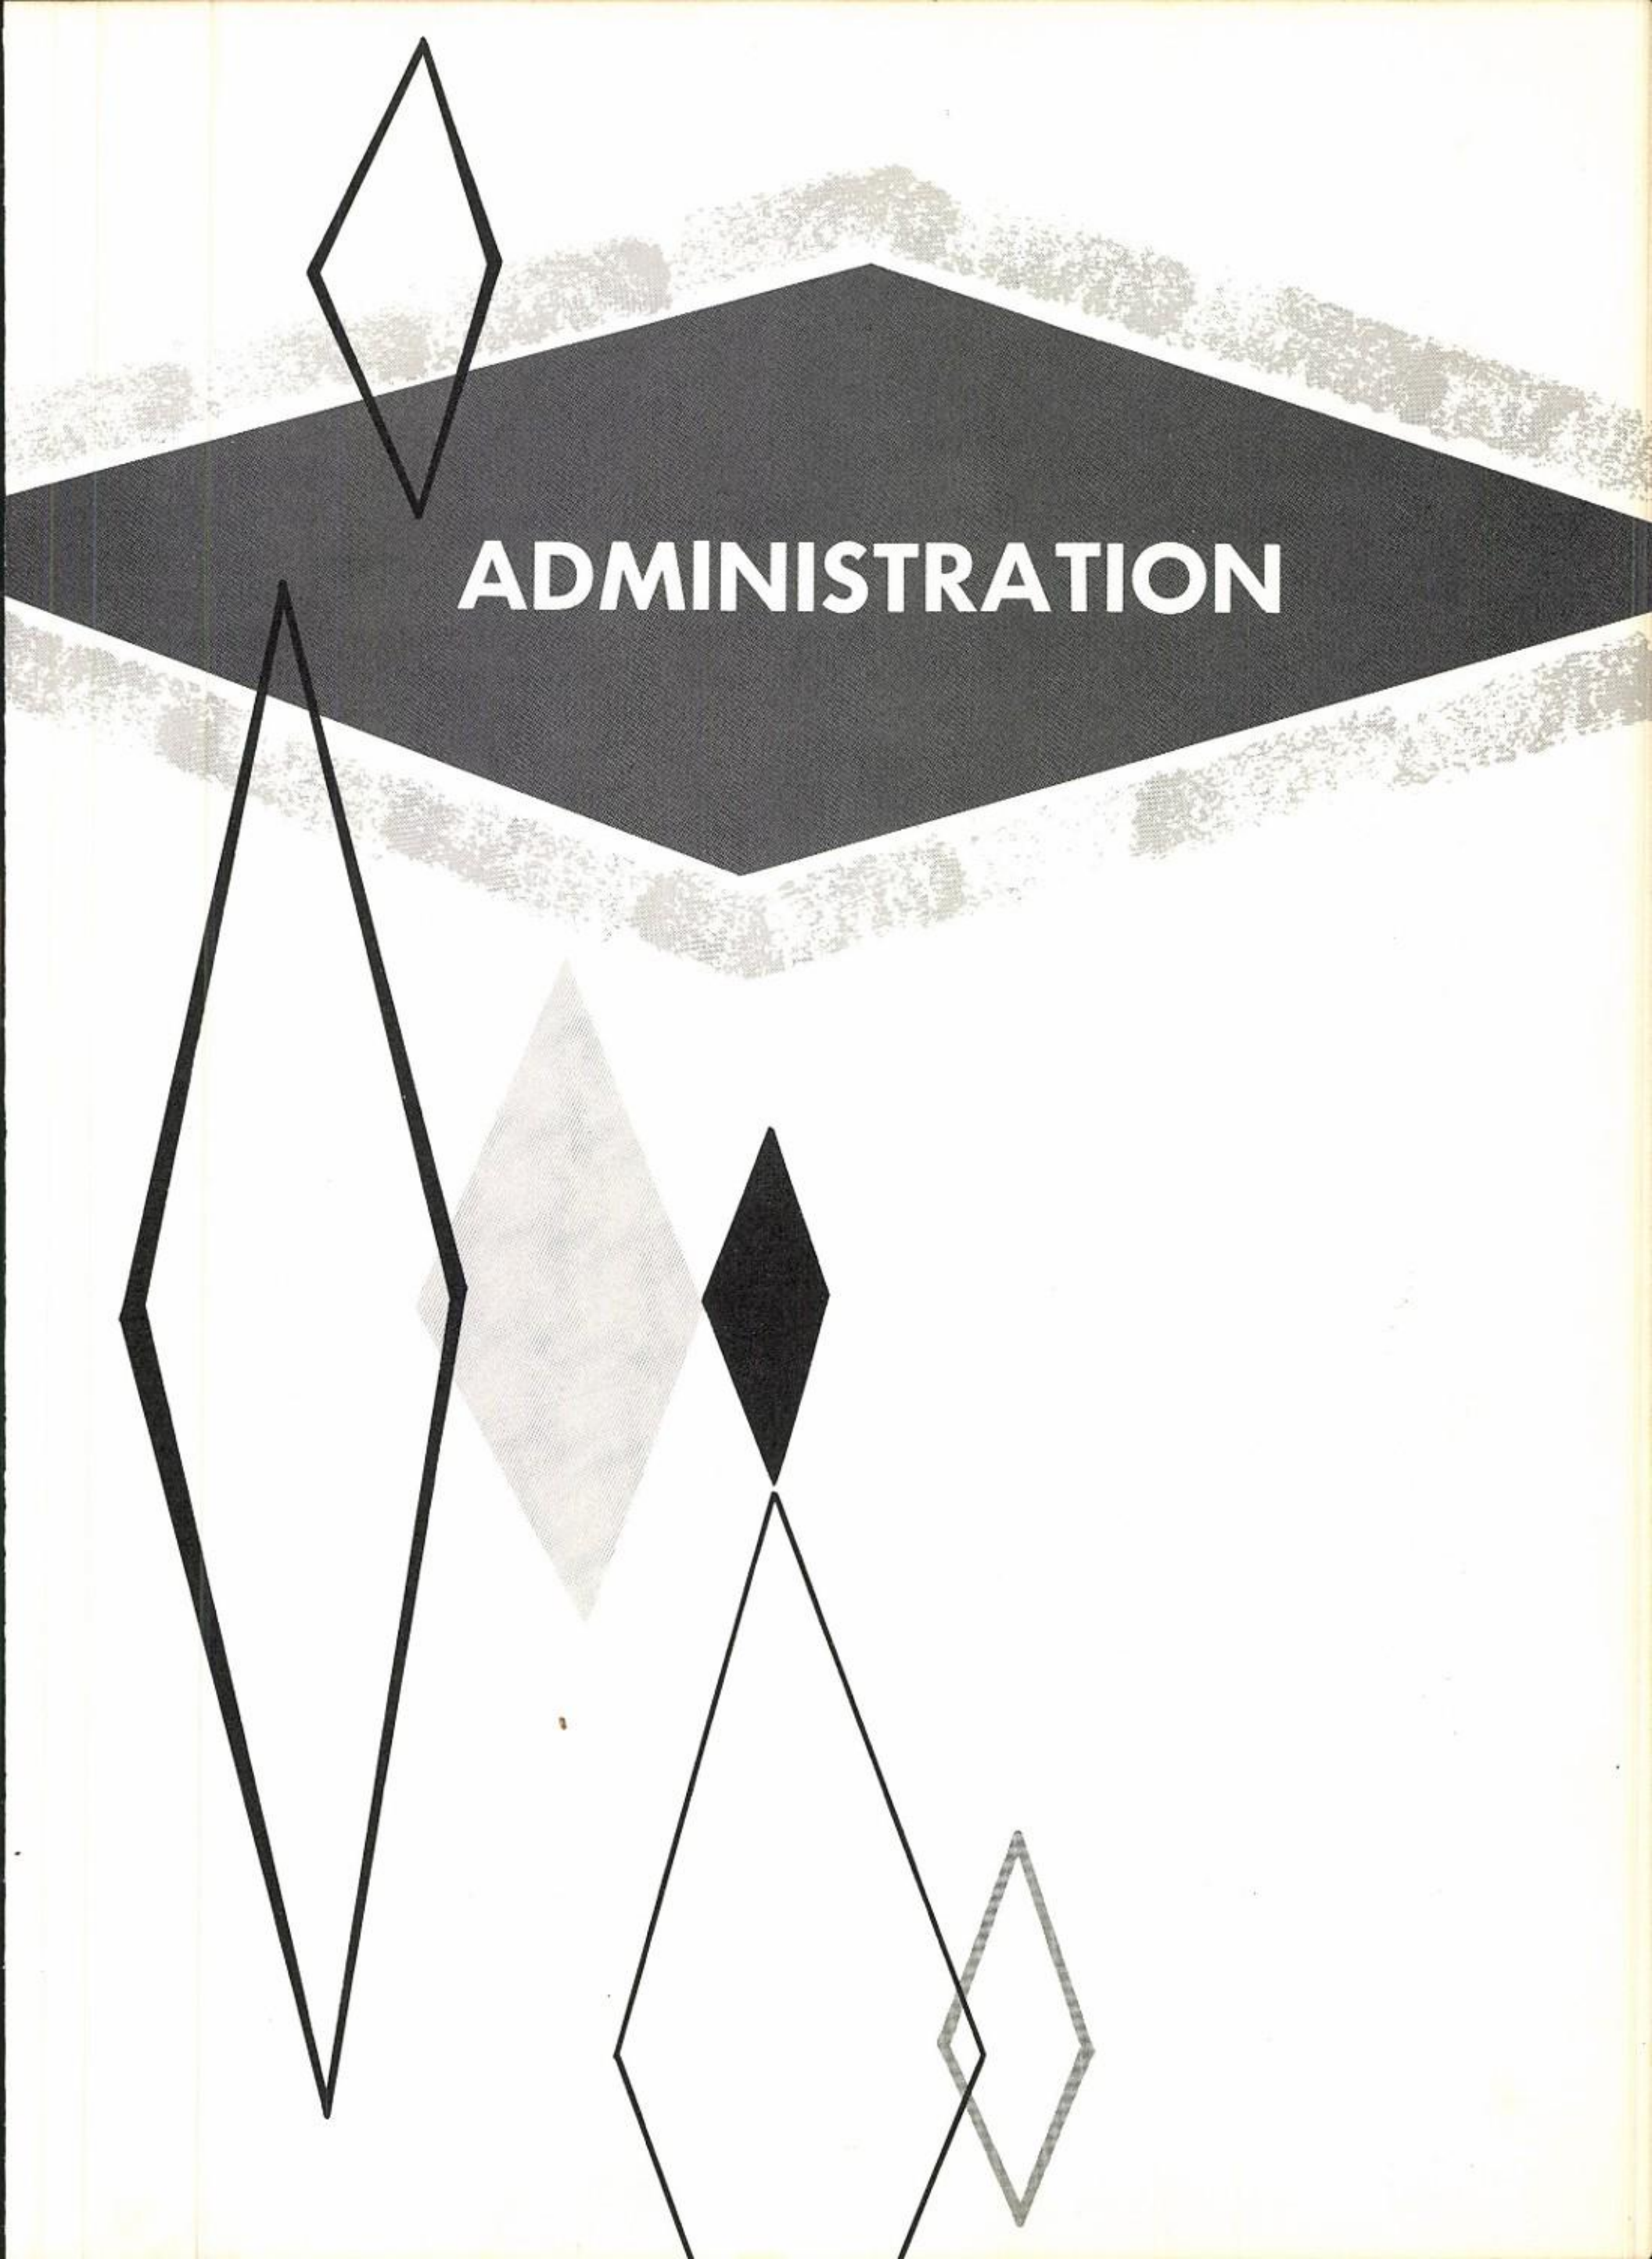

Bell Tower

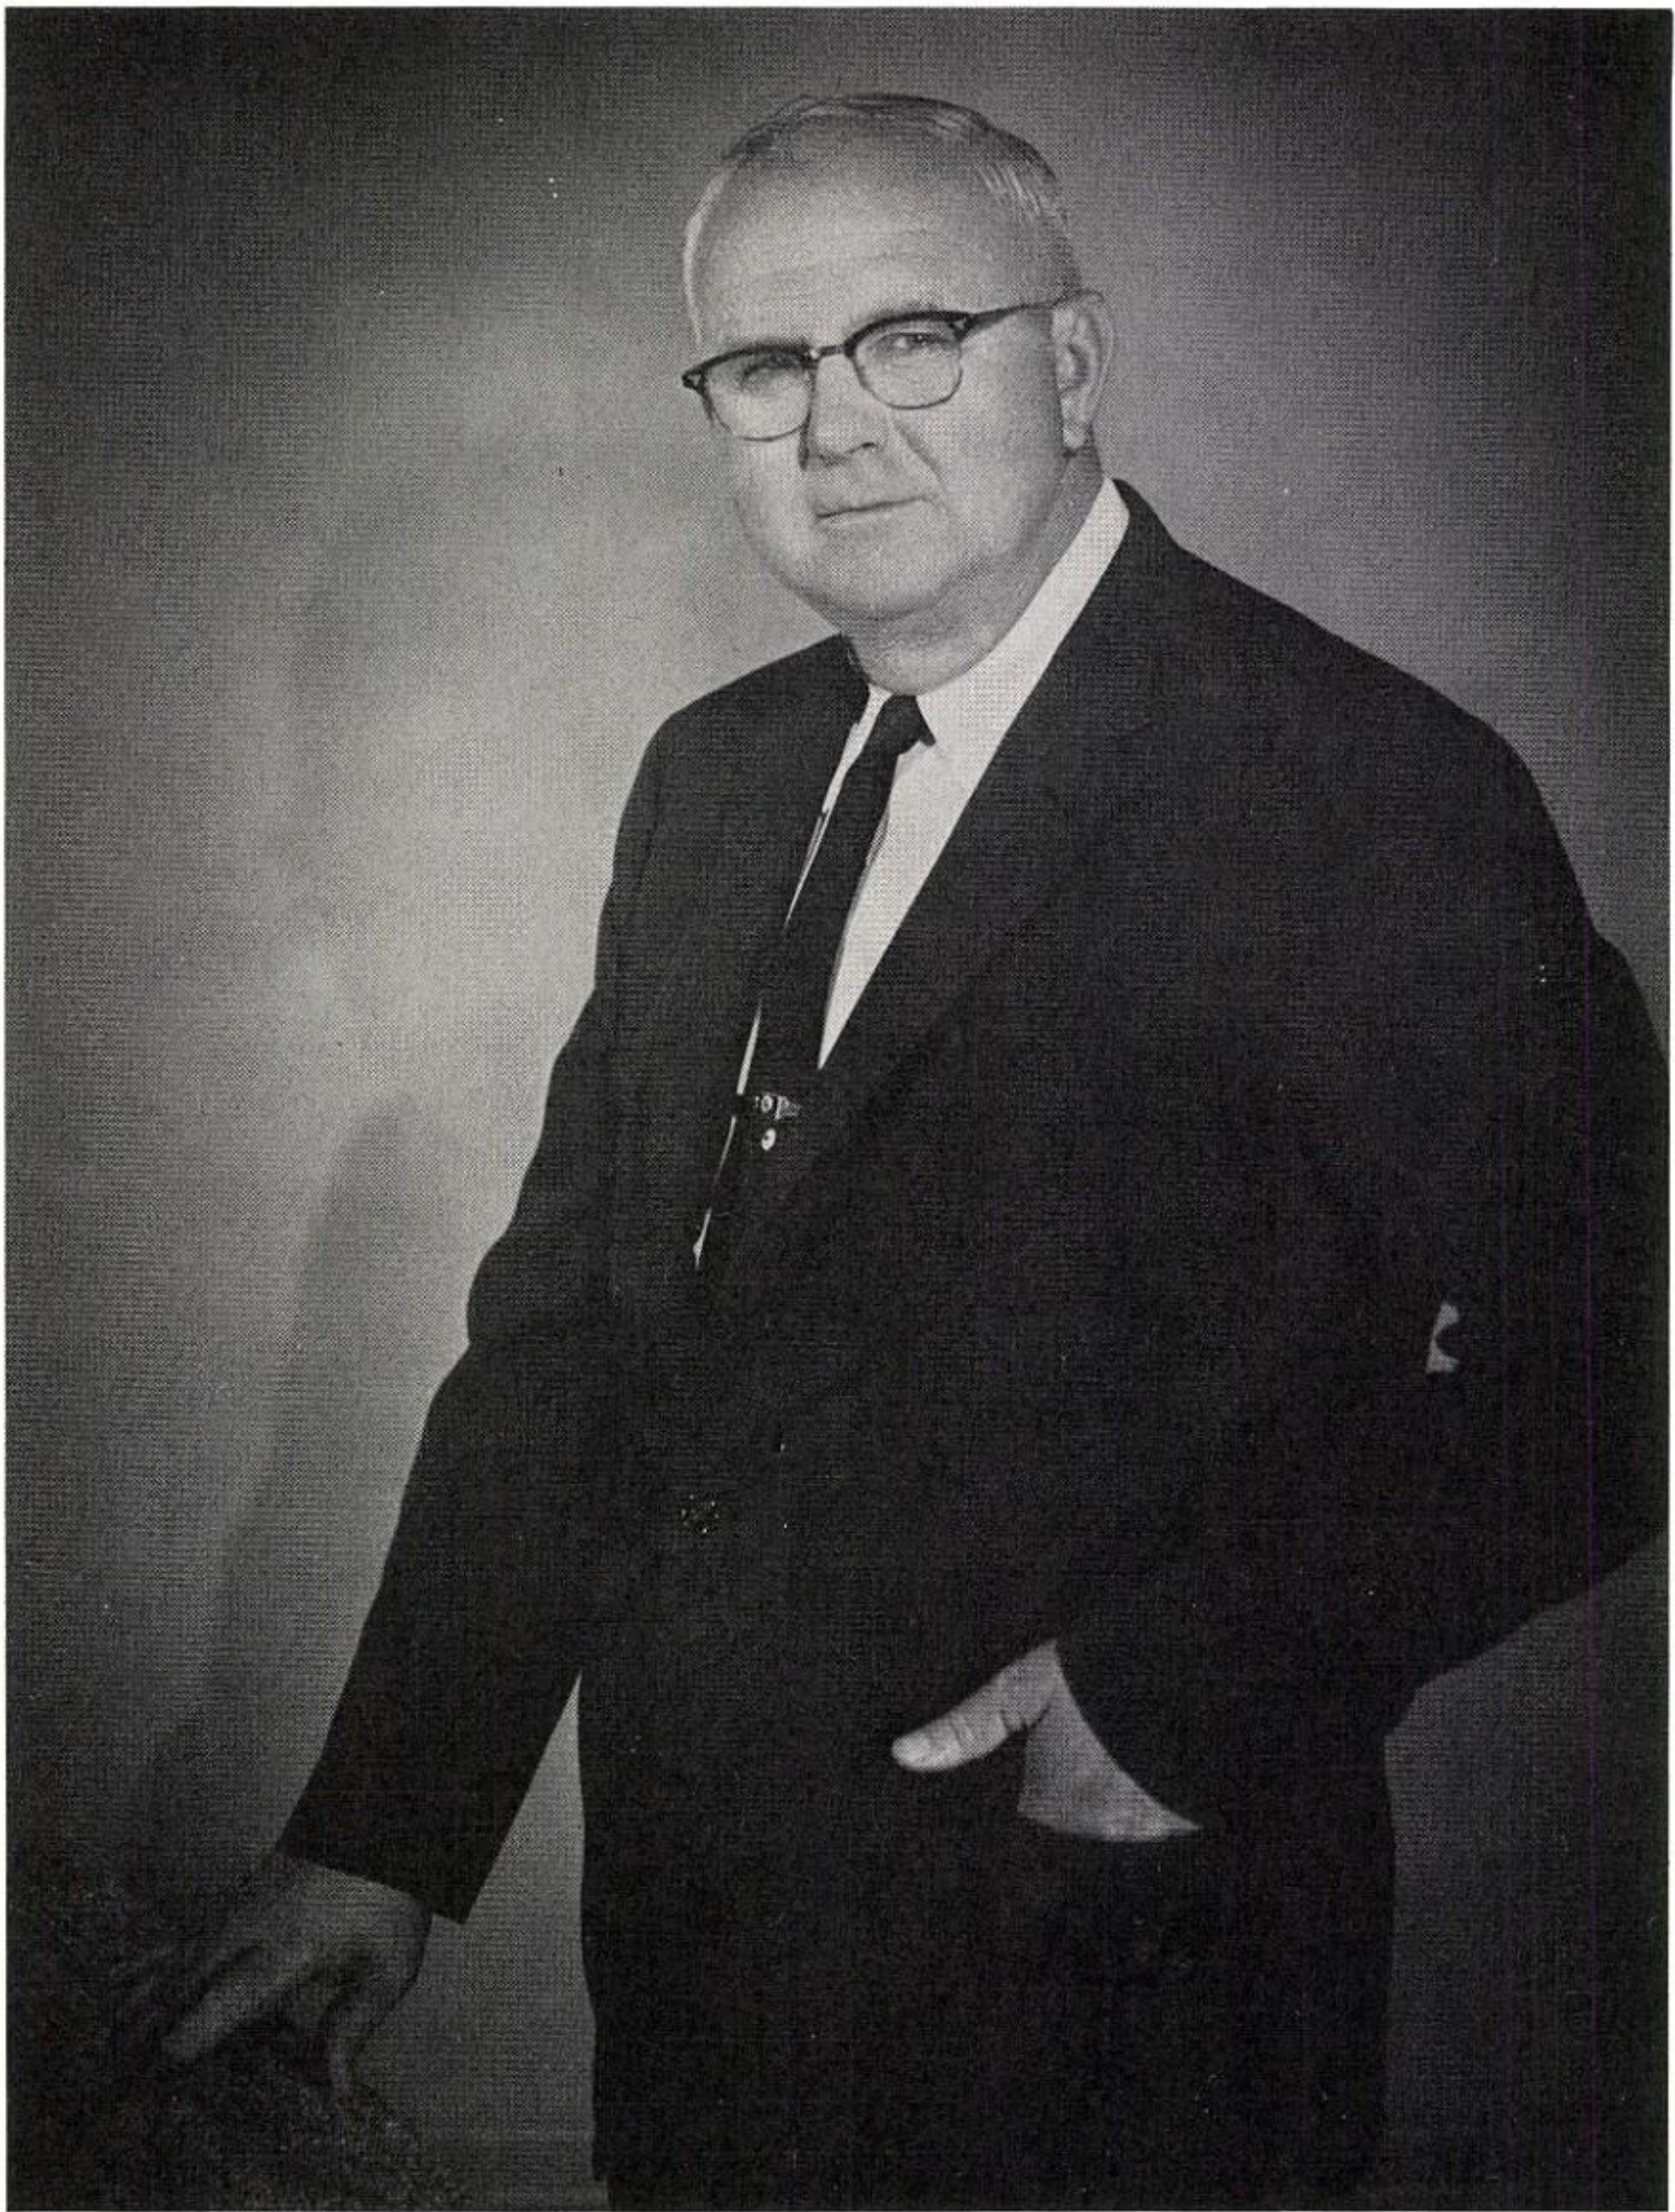

Junior High Building

Trophy Case

The image features a large, dark, diamond-shaped area in the upper center, which serves as a background for the word "ADMINISTRATION". This central shape is surrounded by a light, textured border. Below this, the composition is filled with various geometric elements: a large, outlined diamond on the left, a smaller solid black diamond in the center, and several other outlined diamonds of different sizes and orientations scattered throughout the lower half. The overall style is minimalist and modern, using a limited color palette of black, white, and light gray.

An abstract geometric design featuring a large black triangle at the top with the word "JUNIORS" in white. Below it, a large black outline of a triangle is partially filled with a grey cross-hatch pattern. To the left of this patterned triangle is a smaller solid black triangle. In the background, there are faint, larger-scale geometric shapes, including a large grey triangle and a black triangle, both with a cross-hatch texture. The overall composition is minimalist and modern.

The image features a large, dark grey trapezoid in the upper half, with the word "SOPHOMORES" centered in white. Above the trapezoid are two thin black outlines: a diamond on the left and a tall triangle on the right. Below the trapezoid is a horizontal band of light grey, textured brushstrokes. The lower half of the image contains several large, overlapping geometric shapes: a solid black diamond on the left, a large black triangle in the center, and a tall black triangle on the right. These shapes are defined by thick black outlines and are set against a white background.

An abstract geometric composition featuring several diamond and triangular shapes. A large, solid black diamond is positioned in the lower half, containing the word "ORGANIZATIONS" in white, bold, sans-serif capital letters. Above it, a large, dark gray triangle points downwards. To the left of this triangle is a smaller, hollow diamond outline. To the right is another hollow diamond outline, followed by a small, light gray textured diamond. The bottom of the large black diamond is framed by a thick, textured gray border. Several thin black lines extend from the corners of the large black diamond towards the bottom edge of the page.

LIONS' MINSTREL SHOW

The image features a minimalist, abstract design. A large, light gray diamond is positioned in the upper right quadrant, tilted at an angle. The word "ATHLETICS" is printed in white, bold, sans-serif capital letters across its center. To the left of this diamond, a black outline of a diamond is partially visible, overlapping with a solid black diamond. Below the large gray diamond, there is a smaller black outline of a diamond, which is connected to a solid black diamond at the bottom. In the lower left corner, a solid black triangle points upwards, partially overlapping a light gray, textured triangular shape that also points upwards. The overall composition is geometric and modern.

An abstract geometric design featuring several diamond shapes and lines. A large, solid black diamond is at the bottom, containing the word 'ACTIVITIES'. Above it, a large, empty diamond outline is centered. To the left of the large empty diamond are two smaller, solid black diamonds stacked vertically. To the right is a light gray diamond. Further right is a black diamond with a white, textured border. A thin black line starts from the bottom left, goes up and right, then down and right, crossing the large black diamond. Another thin black line starts from the top center, goes down and left, then down and right, crossing the large black diamond.
